A treatise on the Preamble to the Constitution For the United States of America, and the Bible Inheritance Trust of Adam's family

Part Two

America is Adam's and Abraham's land inheritance for their posterity (seed) of the latter days!

The New JerUSAlem [Ancient Eden]

The name "Jesus" in Greek has the numerical value of 888. His two manifested arrivals, first as the child born Savior, and second as The Lion of Judah in Revelation gives us: $2 \times 888 = 1776 =$ America's number. "*Jesus (888) Christ, the same yesterday, today, and forever!*" (Heb. 13:8) is the same God in the Old and New Testaments, with the same Adamic people. Malachi 3:6 states, "*I am Yahweh, I change not!*". The Hebrew numerical text of the letters of that declaration also totals 888 (Jesus) confirming Hebrews 13:8. Yahweh who made Adam never did change His plan of bringing Adam back into his original inheritance in Eden. Jesus (that part of Yahweh come in the flesh) accomplished this possibility on the cross. The early Danite expeditions to America followed by the Christian Saxon Pilgrims landing at Plymouth in 1620 began to reintroduce Adam's family and government (to 'dress & 'keep' the Garden) once again in Eden.

"When the Most High divided to the nations their inheritance, when He separated the sons of Adam, He set the bounds of the people according to the number of the children of Israel." (Deuteronomy 32:8)

"-- for out of it (Edenic ground) wast thou (Adam) taken: for dust thou art, and unto dust shalt thou return." (Genesis 3:19)

Thou shalt arise, and have mercy upon Zion: for the time to favour her, yea, the set time, is come. *For thy servants take pleasure in her stones, and favour the dust thereof.* (Psalm 102:13,14)

Israel's Double Portion Inheritance

*“And thou shalt say unto Pharaoh, Thus saith Yahweh, **Israel is my son, even my firstborn:**” (Exodus 4:22)*

*“--- giving him **a double portion** of all that he hath: for he is the beginning of his strength; **the right of the firstborn is his.**” (Deut. 21:17)*

Although they have migrated to many corners of the Earth, **by a perpetual inheritance** the family of Adam Biblically owns two specific land areas of the Earth according to Yahweh's laws of descent and distribution. One area is North America, the Eden of their father Adam; the other is the Middle East area formerly called “Canaan” (modern day Israeli/Edomite State) in Bible times given by covenant to Abraham. Let's explain.

True Saxon Israel is the family line that is directly descended from Adam, separated racially from other people. (Lev.20:26; Deut.7:3,4; Ezra 9:2) Seth became Adam's son and direct heir after Cain killed Abel. (Gen.4:25;5:3) From the line of Seth we have Noah, then onward to Abraham, Isaac, Jacob, and the tribes of Israel that became the nation.

Most Christians are taught the standard 'church' belief that Jacob was the first Israelite because The Almighty tells Jacob in Genesis 32:28 *“And He said, Thy name shall be called no more Jacob, but Israel: for as a prince hast thou power with God and with men, and hast prevailed.”* However this is a restatement on the part of Yahweh concerning His “Adamic heir family” because it was Adam himself who was the first of “Israel” and not Jacob. Adam was endowed with the understanding of “God given rights” having the commission to “dress and keep” (as we saw in Part One page 8, literally to “serve and protect”) in the Garden. The word “Israel” comes from three Hebrew root words: *Ish – Ra- Eli* that is “offspring ruling with God” (more literally “**extant living**, ruling as God”) since we know that Adam was “God's son” (Lk. 3:38). See Strong's # 376 ish, #7287 raw-dah, #410 El. That Adam was the “extant living son, the 'ish' of God, is revealed in Genesis where it reads:

*“And Adam said, This is now bone of my bones, and flesh of my flesh: she shall be called Woman (*Isha- feminine, Strong's# 802*), because she was taken out of Man (not the word 'Adam' here but **Ish** – masculine, Strong's# 376)”. (Genesis 2:23; Lk.3:38)* “Issue” or progeny is the English equivalent.

All which Saxon Israel has is **an inheritance** from God Almighty through the patriarchs of the race, and it is a genetic inheritance handed down to their posterity in the Earth. By Mosaic Law the firstborn son was provided a **double portion** of the father's property, being that in case the father would die or possibly otherwise delegate family matters to the son, it would be the firstborn's duty to take care of the family and have the preeminence thereby. (Deut. 21:15-17) Therefore, since Israel is God's firstborn family

concerning preeminence in the Earth we will be able to locate two specific land areas given as the “double portion” for Israel to administer Yahweh’s will in the Earth. This double portion would naturally be passed down from Adam, through Abraham, and to the latter day Saxon people (sons of Isaac). These two land areas would become permanent possessions of Abraham’s Adamic seed line. Likewise, these land gifts would serve needed purposes, the same as do certain sections of anyone’s property have a purpose when maintaining the family grounds.

The Scriptures show that the family heir line of Israel (Ish-ra-eli) inherited their first home of Eden through Adam (given to dress and keep it – Gen.2:15), although Adam was driven out by breaking a major commandment. In the completion of “the day of restitution of *all things*” (Acts 3:21) Adamic rule will be restored to the first home. Additionally another permanent land area given to the Adamic heirs, by way of Abraham’s wandering journeys, will ultimately to be used as the family trash heap area. Geographically these land areas are respectively seen in North America (former Eden), and old Judea/Palestine/Canaan (mid-east Jerusalem where our King was crucified, Rev.18:11, which God’s Word itself describes as the spiritual “Sodom and Egypt” of the Earth). These particular land areas are *both* bequeathed to Adam/Abraham and *their posterity* as perpetual double land gifts, but each for very different purposes.

For better flow of composition of this essay let’s discover the second of the Adamic Israel double portion land inheritance, then we’ll focus on the primary land inheritance of Eden (America) and exactly how the Preamble to the Constitution applies.

Land of Canaan: Temporary Dwelling Place – End Time Dung Heap – But permanent possession of Abraham’s posterity

“Abram dwelled in the land of Canaan, and Lot dwelled in the cities of the plain, and pitched his tent toward Sodom.

*But the men of Sodom were wicked and sinners before Yahweh exceedingly.
And Yahweh said unto Abram, after that Lot was separated from him, Lift up now thine eyes, and look from the place where thou art northward, and southward, and eastward, and westward:*

*For all the land which thou seest, to thee will I give it, and to thy seed for ever.”
(Genesis 13:12-15)*

Blind denominational church doctrine proclaims that in 1948 the Israelites returned to their land according to Bible promise and that “that land over there is the ‘jews’ land”. That makes for nice TV evangelist programming on Sunday mornings and donation drives to further the cause of political Zionism, but it is far from any semblance of Biblical truth whatsoever.

On the contrary, “That land over there” is not the ‘jews’ land since the modern ‘jews’ aren’t descended from the Biblical Israelites in the first place. They are descended from Esau’s mixed family, Cain’s progeny, and the Turk Khazars of 700 AD. However,

modern 'jewish heritage' is not the subject of this thesis. This author assumes that the vast majority of readers that have downloaded this article are already well grounded in that fact. Email our ministry if you want Bible studies on the subject. "That land over there" still belongs to Abraham's descendants who today are the family house of Saxon Christendom who also comprise the family of Adam in the Earth. Yahweh God Almighty gave that land to Abraham as a permanent inheritance but only for a temporary dwelling place. The Bible teaches that while Adam's offspring were making the multi-millennia long trip back to Eden (America, the New Jerusalem), they would live in the mid east land of Canaan for a while, leave that land, eventually travel westward to America, yet however retain that "old Jerusalem area" for an eventual historical place of refuse in the end time days. This may be a bitter theological pill for the nominal Christian churchgoer to swallow, but this is what God unapologetically declared in both the Old Testament and through His incarnate Word, Jesus (Yahshua) the Christ.

Speaking about that old Temple area of Jerusalem in Palestine (Canaan/ modern Israeli state) Yahweh God says that He would **abandon it** and that His presence would not return, just as He had forsaken Shiloh centuries before where Saxon Israel first worshipped:

Jeremiah 7:12 *"But go ye now unto my place which was in Shiloh, where I set my name at the first, and see what I did to it for the wickedness of my people Israel.*

7:13 And now, because ye have done all these works, saith Yahweh, and I spake unto you, rising up early and speaking, but ye heard not; and I called you, but ye answered not;

*7:14 **Therefore will I do unto this house (Old Jerusalem), which is called by my name, wherein ye trust, and unto the place which I gave to you and to your fathers, as I have done to Shiloh**".*

Jeremiah 26:6 **"Then will I make this house like Shiloh, and will make this city (Old Jerusalem) a curse to all the nations of the earth."**

Here is what God did with the first place of worship when His people made Him angry by sinning, and He promised to do the same with old Jerusalem:

Psalms 78:60 *"So that **He forsook the tabernacle of Shiloh**, the tent which he placed among men; 61 And delivered His strength into captivity, and His glory into the enemy's hand. 62 He gave his people over also unto the sword; and was wroth with His inheritance."*

When Jesus (Yahshua) Christ arrived He repeated the Bible promise of God in making a cursed city out of that old Jerusalem area, saying that it would be left a desolation:

Lk. 13: 34 **"O Jerusalem, Jerusalem, which killest the prophets, and stonest them that are sent unto thee; how often would I have gathered thy children together, as a hen doth gather her brood under her wings, and ye would not!**

35 Behold, your house is left unto you desolate: and verily I say unto you, Ye shall not see me, until the time come when ye shall say, Blessed is he that cometh in the name of

the Lord.” [When would the inhabitants utter these words? It’s a rhetorical statement to mean **never** as He said in Lk. 16:31 “If they hear not Moses and the prophets, neither will they be persuaded, though one rose from the dead.” Also John 8:47 “He that is of God heareth God’s words: ye (Edomite Pharisees) therefore hear them not, because ye are not of God.”]

The 1948 “return” of Talmudists to Palestine under authority of the United Nations was not a regathering of Biblical Israelites but rather a divine placement of the dreaded Edomites into that area. We are told by the prophet Malachi that in the end times, Esau/Edom would attempt to make a world controlling power in the middle east (former Palestine/Canaan area of old Jerusalem), but that Yahweh would eventually throw it down.

Malachi 1:1 “*The burden of the word of Yahweh to Israel by Malachi.*
2 *I have loved you, saith Yahweh. Yet ye say, Wherein hast thou loved us? Was not Esau Jacob’s brother? Saith Yahweh: yet I loved Jacob,*
3 **And I hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness.**
4 **Whereas Edom saith, We are impoverished, but we will return and build the desolate places;** thus saith Yahweh of hosts, **They shall build, but I will throw down;** and they shall call them, **The border of wickedness,** and, **The people against whom Yahweh hath indignation for ever.** 5 *And your eyes shall see, and ye shall say, Yahweh will be magnified from the border of Israel.”*

In other words, that area is still rightfully a “border of Israel” (possession of Abraham’s Saxon family), but Edom has “returned” to be in it in the latter days making the land called a “border of wickedness”. Psalm 83 tells us the fate of this Canaan land area given to Abraham forever, into which Edom has moved:

Ps. 83: 1 “*Keep not thou silence, O God: hold not thy peace, and be not still, O God.*
2 *For, lo, **thine enemies make a tumult:** and they that hate thee have lifted up the head.*
3 *They have taken crafty counsel against thy people, and consulted against thy hidden ones.*
6 **The tabernacles (dwelling place) of Edom, and the Ishmaelites;** of Moab, and the Hagarenes; 7 *Gebal, and Ammon, and Amalek; the Philistines with the inhabitants of Tyre; (The land area of old Palestine/Canaanite Jerusalem)*
8 *Assur also is joined with them: they have holpen the children of Lot.*
9 **Do unto them as unto the Midianites;** as to Sisera, as to Jabin, at the brook of Kison:
10 *Which perished at Endor: **they became as dung for the earth.**”*

This land given to Abraham was to become the dunghill of the earth, for the purpose of gathering Christ’s enemies in the last days, a “desolation” as Jesus Himself predicted. (Lk.13:35) It is a perpetual inheritance possessed by Adam’s family through Abraham to be used as a place of latter day refuse just as a property owner has a place of refuse on his rightful land. It is, however, not the desired final dwelling place to where Abraham’s descendants would migrate in the last days of their “other property” of their double inheritance -- namely, America, Zion, The New Jerusalem, Eden restored, the home of their father Adam – all synonymous.

Adamic Israel's Land Inheritance of Eden, America (The other land inherited within the first-born right of double portion)

"-- for out of it (Edenic ground) wast thou (Adam) taken: **for dust thou art, and unto dust shalt thou return.**" (Genesis 3:19)

Thou shalt arise, and have mercy upon Zion: for the time to favour her, yea, the set time, is come. **For thy servants take pleasure in her stones, and favour the dust thereof.**
(Psalm 102: 13,14)

The United (E)states of America, 48 of them according to the number of Levitical civil administrative districts of ancient Israel (Josh.21:41), constitute the Freehold land inheritance gifted to Adam's family by Yahweh God Almighty. It is even more than a gift as it is where we originate (Eden), thus are tied to the land as a source of being. Jurisdiction may be applied to the other two "estates" not adjoining the original 48, but that is another subject. Please note the proper use of the original word "state" as just mentioned, to actually be "**Estates**" in the proper context known by America's Founding Fathers in the Declaration of Independence, The Articles of Confederation, and original Constitution. It is unfortunate that the word for these land divisions did not retain the original intent of "Estates" as divinely inherited Commonwealths (Eph.2:12,20), but has been changed and misinterpreted into the present corporate "State" that we have today. Our several "States" have horribly evolved into artificial corporate entities unrelated to God given rights, whereas the initial status of the land divisions was by natural right as "Estates" from a Father to His children, and from our ancestors passed down to us.

Although the true meaning of our States/Estates began to wane by the early 1900's, Webster's Dictionary of 1913 still retained the meaning in its definition:

Definition of Estate: Webster's Dictionary 1913 <http://1913.mshaffer.com/>
Es`tate` Pronunciation: ēs`tāt`

1. "Settled condition or form of existence; state; condition or circumstances of life or of any person; situation."

5. **The state; the general body politic; the common-wealth; the general interest; state affairs.**

Definition of Estate: Webster's Dictionary 1828 <http://1828.mshaffer.com/>

6. "**The general business or interest of government; hence, a political body, a commonwealth; a republic.** But in this sense, we now use **State.**" (Emphasis added)

Note on above comment: - - - **Brothers and sisters, if there is one key fact of law to retain from this Part Two of our lessons, it is this: By authority and definition of the Christian Common Law of that early American era, the land of the entire new and free continent was considered an Estate. This brings our property within the realm of family inheritance law, thus outside the jurisdiction of the artificial and usurped power of the STATE today which very term and actions are a corruption and operate on fraud. Please tell your Christian friends and family that we are supposed to be The United (E)states of America as this is a huge and meaningful awareness. Email them the link to these Law Commentaries.**

Since Adam was God's son, he would inherit that which was freely given by The Father, in this case the very ground from whence Adam came, and upon which he walked and wherein he ruled. The land was Adam's to hold freely and unencumbered. The same thing applied as concerning what God gave to Abraham. Western civilization law honored "Freehold Lands" up until we squandered our rights away by allowing the Constitution to be subverted and changed from a Trust Instrument with roots in Bible law, into a corporate document run by parties with no original vested interest in the original Trust, which original interest is: The Preamble to the Posterity. Here is a law definition of "Freehold" found at <http://www.lectlaw.com/def/f059.htm> --- Law Definitions site

Freehold - An interest in land which permits the owner to enjoy possession of real Estate during his life without interference from others.

An estate of freehold is an estate in lands or other real property, held by a free tenure, for the life of the tenant or that of some other person; or for some uncertain period. It is called liberum tenementum, frank tenement or freehold and it was formerly described to be such an estate as could only be created by livery of seisin, a ceremony similar to the investiture of the feudal law. But since the introduction of certain modern conveyances, by which an estate of freehold may be created without livery of seisin, this description is not sufficient. Freehold estates are of inheritance or not of inheritance. [added note – if inheritance "posterity" is mentioned. ed]

There are two qualities essentially requisite to the existence of a freehold estate:

1. Immobility; that is, the subject-matter must either be land or some interest issuing out of or annexed to land.

2. A sufficient legal indeterminate duration; *for if the utmost period of time to*

← *which an estate can last is fixed and determined, it is not an estate of freehold**. For example, if lands are conveyed to a man and his heirs or for his life or for the life of another or until he shall be married or go to Europe, he has an estate of freehold; but if such lands are limited to a man for one hundred or five hundred years, if he shall live so long, he has not an estate of freehold." end quote

Now we see precisely why the Articles of Confederation of 1777 was declared "Perpetual"* and the union was appropriately by law declared to be "The United States (meaning then estates) of America."

That document reads:

“Articles of Confederation and perpetual Union between the states of New Hampshire, Massachusetts-bay Rhode Island and Providence Plantations, Connecticut, New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia, North Carolina, South Carolina and Georgia.”

Article I. The Stile of this Confederacy shall be "The United States of America".

By the law of that era our Founding Fathers knew that **“Perpetuity and Freehold (E)states” went together**. All the land of our nation was **Freehold** in that it was operating on the law of a Trust Instrument of inheritance going back to Bible Law. Nobody could tell you what to do with your land. Do you see what we have lost? We have lost our “Freehold Inheritance” by forsaking the original Confederation and Constitutional “United (E)states of America”. The land was given to Adam, and by right Adam’s heirs perpetually own it for an “indeterminate duration” (forever). When you own land as a Freehold you can plant whatever type of crops you want on it, build whatever shed you want on it, add whatever section to a house you want, dig whatever type of well you see fit to dig, or anything else you want to do on your land short of denying another person his/her primary natural rights ---- all without anybody taxing you for living on the land or their forcing you to obtain a license to do so and so on your property. America at the moment is neither the “land of the free” nor “the home of the brave”. Every single square inch of America is controlled by corporate monetary interests that have captured your once Biblical Freehold Status of naturally inherited land ownership.

America as being the land of the former “Freehold” of Eden has not been recognized by the mainstream clergy because they do not know who the Adamic Israelites are. They continually think and teach that all end time Bible promises and prophecy will unfold in the Middle East, when in fact it has been America which has held “center stage” in the world’s major events for the past 100 years or more. We need to remember that even though Abraham was given the land of Canaan/Palestine in the middle east for an inheritance, that He and the other patriarchs were still looking for another place, a better place destined by God to be the true “city” (government) of their desires.

“These all died in faith, not having received the promises, but having seen them afar off, and were persuaded of them, and embraced them, and confessed that they were strangers and pilgrims on the earth. For they that say such things declare plainly that they seek a country. But now they desire a better country, that is, an heavenly: wherefore God is not ashamed to be called their God: for He hath prepared for them a city.” (Heb.11:13-16)

It is important to know that after receiving the land inheritance of Canaan for a possession forever, Abraham still knew that he and his posterity had yet another place that was theirs. And that this is where his heart really was!

Does the Bible offer still more evidence that the country Abraham sought was Eden restored, and that it was America in the latter days? To this we can answer positively “Yes”.

Heart Warming Bible Evidence Continues About Our Home

Not only is it completely logical to reason that since Adam messed up his status in Eden, that therefore Adam would be redeemed by God’s plan to return him to his rightful home; but the more we seek after the truth the more evidence mounts that Saxon Israelite Christians, now with the blood of Christ to cover their sins, have made a complete loop home and allowed to rule Eden again, arriving to America in the 1600 – 1700’s. We also still have “the serpent” (evil doer’s family) trying to dislodge Adamic rule yet again in our home, just as happened with Eden in Genesis, but the outcome will be different this time around as we are now “overcomers in Christ” (I Jn.4:4; Rev,12:11). The fact is that the corporate church clergy have had our eyes focused on the Middle East because of their fascination with the modern Israeli UN gang, while all along all the Bible prophecies for “The New Jerusalem” and “restored Eden” have been happening right under our feet!

We know from Bible prophecy that America is the end time Kingdom nation, Zion, The New Jerusalem, which Christ predicted would arrive in the latter days. (*Mat.21:43; Isa. 18:7 & whole chapter in Hebrew text meaning; Zech.1:17; Ex.19:4; Isa.40:31 etc; see national Bible descriptions page 11, Part One America Bequeathed; plus our audio lessons on America in the Bible*).

Isa. 18:7 “*In that time shall the present be brought unto Yahweh of hosts of a people scattered and peeled (smooth, clean shaven eastern colonial days), and from a people terrible (to be feared) from their beginning hitherto; a Nation meted out and trodden under foot (Survey Acts of Congress), whose land the rivers have spoiled (literally ‘divided’), to the place of the name of Yahweh of hosts, the mount Zion.*”

We furthermore know that the “Tree of life” was in Eden, that Eden was a specific land area, and that this same “Tree” is also located in “The New Jerusalem” in the Book of Revelation. Why? Because Eden is the same place as The New Jerusalem. Due to the ornate and deep symbolism used in the Book of Revelation, people have a difficult time seeing that it is still describing government jurisdictional events and geographical land areas, but it is. Old Eden is The New Jerusalem, and the New Jerusalem is America.

Genesis 2:9 “*And out of the ground made Yahweh God to grow every tree that is pleasant to the sight, and good for food; the tree of life also in the midst of the garden (of Eden), and the tree of knowledge of good and evil.*”

Revelation 22:2 “*In the midst of the street of it (New Jerusalem, ch.21:10), and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations.*”

Revelation 22:14,15 **“Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city. For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.”** (that is, the New Jerusalem nation victorious, Eden reclaimed)

Not only was the “Tree of Life” in Eden **and** in “The New Jerusalem”, but Eden’s first mentioned distinguishing mark is its great river that gave life to the entire area.

Gen.2:10 **“And a river went out of Eden to water the garden; and from thence it was parted, and became into four heads.”**

In Revelation 22:1 we see this also in the New Jerusalem: **“And he shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb.”**

Greek and Hebrew individual letters each have mathematical values. The amazing language connection with this river is that if we were to say “river of life” in NT Greek, ποταμος ζωης (pota-mooce zo-ace) that phrase would add up to the number 1776 even as we are speaking it. Likewise, in describing the **prophetic nation “Zion”**, the last half of Isaiah 60:14 reads “ -- **and they shall call thee, The city of Yahweh, The Zion of the Holy One of Israel.**” In Hebrew, the letters read as follows:

וקראו לך עיר יהודה
ציון קדוש ישראל

These letters each have mathematical values and added together **also total 1776!** Hidden in the Bible all along has been the astounding truth that Eden, the prophetic nation Zion, The New Jerusalem, the “city” i.e. government of God; and America (the 1776 nation) are all the same place! It is the land inheritance of Adam and Adam’s posterity. (see Isaiah 18:7 above pg.9) Astounding as this is, there is more.

The river in Eden which is shown to have “four heads” has two possibilities. It is either the Mississippi River with its four largest major branches, or it is the St. Lawrence River and the Great Lakes. Personally, I believe the Scriptures reveal it to be the Lakes, and for very good reason. The Great Lakes, which we count as five in number, are actually **four lakes or “heads”** that all flow together eastward by the St. Lawrence River, and thus can be reckoned as “flowing bodies” themselves.

Michigan and Huron: One Lake or Two? Article source:
<http://www.infoplease.com/ipa/A0001804.html> -- United States Geography

“It is a widely accepted fact that Lake Superior, with an area of 31,820 square miles, is the world’s largest freshwater lake. However, this fact is based on a historical inaccuracy in the naming of Lake Huron and Lake Michigan. What should have been considered one body of water, Lake Michigan-Huron with an area

of 45,410 square miles, was mistakenly given two names, one for each lobe. The explorers in colonial times incorrectly believed each lobe to be a separate lake because of their great size.

Why should the two lakes be considered one? *The Huron Lobe and the Michigan Lobe are at the same elevation and are connected by the 120-foot-deep Mackinac Strait, also at the same elevation. Lakes are separated from each other by streams and rivers. The Strait of Mackinac is not a river. It is 3.6 to 5 miles wide, wider than most lakes are long. In essence, it is just a narrowing, not a separation of the two lobes of Lake Michigan-Huron. The flow between the two lakes can reverse. Because of the large connecting channel, the two can equalize rapidly whenever a water level imbalance occurs. Gauge records for the lakes clearly show them to have identical water level regimes and mean long-term behavior; **that is, they are hydrologically considered to be one lake.** ----“*

*“-Of all the world's freshwater lakes, North America's Great Lakes are unique. **Their “five” (actually FOUR) basins combine to form a single watershed with one common outlet to the ocean.** The total volume of the lakes is about 5,475 cubic miles, more than 6,000 trillion gallons.”*

Why is this significant, and most likely locates the “four (river – flowing) heads” of the river in Eden? Simply because **the North American Great Lakes form the world's largest fresh water surface area on Earth** which in itself is highly symbolic. The Bible draws a specific correlation between fresh water, the Word, and God's people. Fresh water is symbolic of God's Word, and He promised His people to have plenty of water as a symbol of His washing them, since following His Word cleanses the soul:

Eph.5:25 *“Husbands, love your wives, even as Christ also loved the church, and gave himself for it; That he might sanctify and **cleanse it with the washing of water by the word,**”* [The family and its inheritance is a mainstay of God's land and government]

Above: Hydrologically speaking, these lakes are four in number as “heads” of the St. Lawrence River. Lakes Michigan and Huron are actually one body of water.

This is the great symbolic land reminder of God's Word (fresh, live, water) in the **East** of North America, the largest fresh water surface on the planet and a gift to His children.

Num. 24:5 “How goodly are thy tents, O Jacob, and thy tabernacles, O Israel!

6 As the valleys are they spread forth, as gardens by the river's side, as the trees of lign aloes which Yahweh hath planted, and as cedar trees beside the waters. (see Gen. below)

7 He shall pour the water out of his buckets, and his seed (posterity) shall be in many waters, and his king shall be higher than Agag, and his kingdom shall be exalted.”

Gen. 2:8 “And Yahweh God planted a garden eastward in Eden; and there he put the man whom he had formed.

9 And out of the ground made Yahweh God to grow every tree that is pleasant to the sight, and good for food; the tree of life also in the midst of the garden, and the tree of knowledge of good and evil.

10 And a river went out of Eden to water the garden; and from thence it was parted, and became into four heads.”

The four hydrological Great Lake basins actually “flow as one” into the St. Lawrence River and then into the Atlantic Ocean. Thus even though Genesis 2:10-14 describes “rivers” (naw-hawr), in the Hebrew text the root word is actually “na-har” (Strong’s 5102) meaning “to flow together”, which better depicts the connected flowing lakes as we see them. This author believes that the names we see in Genesis 2 for these “rivers” (that were first called “heads” in v.10) were later “transplanted” to the Middle East by Adam when he was driven out of Eden, or in the next few generations. We will probably never know the exact details of Adam’s expulsion, but it doesn’t matter at this point because there is yet more amazing Bible evidence to further connect Eden to America, the land of Adam’s inheritance and origin.

This highly symbolic factor of the greatest fresh water lakes’ surface on Earth (His Word/Water resides here) is distinguished in Genesis 2 by the description of its “four heads in Eden”, as we know. The Hebrew words for “In Eden” (Gen. 2:8) have the value of 126. $126 \times 4 = 504$, yet another curious number in Bible revelation, as it divides into the prophetic number of 2520 evenly 5 times. See page 12 Part One, concerning the 2520 years of Israel’s punishment before being regathered as a White Christian Nation in the latter days.

Since this entire matter spanning the ages from Eden through the Constitutional framing of America is totally and completely a matter of Adamic (white) divine inheritance and national government, there are five jurisdictional and lawfully intertwined words in Scripture that delineate the whole experience and tell the story from start to finish. These five words are Garden Inheritance: White Ecclesia (OR CHURCH) Kingdom. These are all simple root words which we can reference in Strong’s Concordance and then using lexicons see how Hebrew or Greek case endings were added to them in specific verses to show that God speaks to us in the language of mathematics when we lose other language, archaeological, or historical records of our distant past.

Each one of these five words, when case syntax letters are applied to them in the following verses, equal 504. Checking in Hebrew/Greek/English Interlinear Bibles (such

as Hendrickson or other), we note the root word “Garden” as used in Isaiah 1:29 “gardens” here = 504. “Inheritance” as used in Isaiah 19:25 = 504. “White” as used in Isaiah 32:4 (KJV has “plainly” – referring to “white language”, but the Hebrew word is “white” here) = 504. “Ecclesia” as used in I Corinthians 7:17 = 504. “Kingdom” as used in I Chronicles 11:10 = 504. The term **“Garden Inheritance: White Ecclesia Kingdom”** is comprised of five words with each single word having the value of 504. 504 multiplied by the number of words (5) = 2520. 2520 years after the Assyrian King Tiglath-Pileser (in 744 BC) decreed military action that led to Israel’s removal out the old land of Palestine, from whence there were scattered into Western Europe, brings us to the year 1776, which is also twice Jesus’ Name in Greek (888), the number of His regathered Kingdom. (see Part One, page 12 on ‘2520 years’)

As we will soon tie all this essay together and clearly see in Part Three of this Law Commentary, **the US Constitution set up the Inheritance Trust Instrument decree**, after the “White Ecclesia Kingdom” had been (re)established in the “Garden Inheritance” (Eden) by the Colonial Americans. Whether or not the Colonists knew the exact full implication of what they were doing makes no difference -- Yahweh Almighty knew and guided their every move to bring His words to pass. It wasn’t the function or purpose of the Constitution to announce the nation as “being Christian” since the nation **already was Christian** by authority of the **“perpetual”** freehold land inheritance” under the colonial charters, the Constitutions of the 13 original (e)states, and the Articles of Confederation. The Constitution merely continued the “perpetual estate” and now it set about to **define the inheritance factor** in the Preamble “to the posterity” as a Trust Instrument for the Christian Nation already in existence. This too has its “appointed numbered time” in the Bible for the “dust of Adam”, the holy seed line. One important verse we have reviewed several times is Psalm 102:14, mentioning how Adam’s descendants “favor the dust of Eden (Zion)” as the home of their origin. Just as important however, is the preceding verse 13, as this verse tells us that there is a **precise time** when the Inheritance of our Adamic race would be decreed by the people themselves.

*Psalm 102:12 “But thou, O Yahweh, shalt endure for ever; and thy remembrance unto all generations. v13 Thou shalt arise, and have mercy upon Zion: **for the time to favour her, yea, the set time, is come.**”*

And exactly when would the **“set time”** be for the Inheritance to be remembered by Yahweh’s people? The next verse, which tells us that Saxon Christian Israel honors the dust of Eden, also tells us the set time: v.14 **“For thy servants take pleasure in her (Zion’s) stones, and favour the dust thereof.”** (That is – they honor the Inheritance!)

In this verse the several Hebrew words add up to **1787**, the year that the Founding Fathers signed the Constitution For the United (E)states of America, and declared the Freehold Trust within the Preamble.

כי for	<u>30</u>

Above Psalm 102:14 **Total = The Set Time: 1787** The Signing of the US Constitution

I don't even think it is possible to calculate the odds of King David writing a Psalm 3000 years ago, concerning Yahweh's servants "favoring Zion's dust", with the prophets describing end time Zion as The USA, --- and David setting the date as our Constitution's signing *in 1787*, by his aligning letters of words in a poem. Certainly those odds easily surpass a billion to one. The question is not "Was the Constitution divinely inspired?" We now know it was. The question becomes, "What kind of document is the Constitution, really?" Surely those who criticize the Constitution for various reasons do so because they have totally misunderstood the law surrounding the Constitution and what precisely its purpose is.

The rest of Psalm 102 holds further implications concerning the seed line inheritance in Zion.

v16 *When Yahweh shall build up Zion, He shall appear in his glory. [Christ coming here]*
v18 *This shall be written for the generation to come: and the people which shall be created shall praise Yahweh.* v21 *To declare the name of Yahweh in Zion, and His praise in JerUSAlem;* v22 *When the people are gathered together [join in a federation], and the kingdoms [48 (e)states], to serve Yahweh.* v27 *But thou art the same**, and thy years shall have no end. v28 *The children of thy servants shall continue, and their seed shall be established before thee.* [This is for our posterity. They need to know their heritage and inheritance given to them by God Almighty. Will you help teach them? Please have them read this!]

"Jesus Christ* the same yesterday, and to day, and for ever." (Hebrews 13:8)

Thank you dear readers for staying with this essay through Parts One and Two as we set the very important Biblical background of our Christian Constitutional nation of The United (E)States of our Heavenly Father. With this foundation of the supernatural events surrounding the beginning of our country in 1776 – 1791 we can now continue on to see the true meaning of the Preamble to the Constitution, what the Founding Fathers knew about The Inheritance, and exactly how they viewed the words we have so often heard that begin -- “*We the people*”. There is a lot more to it than we ever could have imagined. We are the people of Eden forgotten and The New Jerusalem found. We are the people of God’s country, America (the *Kingdom of Heaven*, link> “Am-Meluwkah”) and He has bequeathed it to us freely as His sons and daughters. It is our inheritance.
