

## Good News! Jesus cares about Congress Assembled (the original Congress, that is)

May 29, 2010

By Kenneth W. Lent [www.solarsabbath.org](http://www.solarsabbath.org)

About a decade ago atheist activist groups and other Christ denying secularists began a deliberate campaign to remove Christ and Christianity from the heritage background of early American history. Their main target has been the Constitution, interpreting it to be a secular document unattached to Christianity. That, however, is no surprise coming from those who hate Jesus Christ and the national laws of Yahweh God Almighty.

What is surprising is that some Christian and patriot internet blogs and web pages have picked up on some of the disinformation being disseminated by these active left wing pressure groups, and have taken up the secular banner of “dechristianizing early America” with teachings such as “the Constitution never was Christian” or “the Founding Fathers were conspiratorial elitists”. It appears that such great frustration has set in among some patriots who have endured a long train of court losses in standing up for “God given rights issues”, and failing to see any progress in the courts in presenting Constitutional case arguments, they have decided to discard the Constitution onto the dung heap of “useless man made documents”. Expectations lost can make one bitter.

It is sad to see the effects of utter frustration working on a weary grass roots movement of basically honorable people who have endured such personal losses in a fight to save America for God Given Rights. But nothing of lasting value is ever achieved other than by great sacrifice. Christians WILL win this battle even though things may appear grim and bleak at the moment. God’s written word has been unfolding just as its own predictions have foretold. We have read the “last chapter” of our story, and we know that victory has already been divinely ordained for those who love Christ. Yes, our Constitution has been undermined and subverted by unlawful amendments made to it that have drastically changed its original intent. But to lump the *original Constitution* in with the present distorted version of it and toss out the entire historical birth of that document as being “evil”, is indeed throwing the baby out with the bath water.

Regardless of the inaccurate spin that humanists put on this nation’s history, America was established as a Saxon Christian experience which developed, both lawfully and socially, from the efforts of Christian explorers, colonists, pioneers, and statesmen. This includes the Christian background and purpose of the USA Constitution. The plain facts bear out this truth, and the floodtide of evidence will prevail to a regaining of the foundational declaration our people once proudly shouted in our past glory -- America is a Christian nation! It was once and shall be again.

It is to a tired, but never defeated, American Christian patriot family of liberty warriors that this particular essay is presented. Don’t lose heart in what Jesus Christ Himself did through His body of believers as western civilization expanded to North America. We are beckoned by a Divine Calling to establish HIS Kingdom on Earth. HIS will be done, and is done. Jesus’ *congregation* had *assembled* here and the heritage of America is HIS to claim. Congress can be reclaimed after God’s judgment cleans house. Press onward.

## **Part 1. The United States in Congress Assembled – for what purpose? Was Jesus Christ really the unseen builder of the original American Republic?**

**CONGRESS** - “And Moses called unto them; and Aaron and all the rulers of the congregation returned unto him: and Moses talked with them.” -- Exodus 34:31

**ASSEMBLED** - “Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching.” -- Hebrews 10:25

“That at that time ye were without Christ, being aliens from the **commonwealth of Israel**, and strangers from the covenants of promise, having no hope, and without God in the world: But now in Christ Jesus ye who sometimes were far off are **made nigh by the blood of Christ**. " Now therefore ye are no more strangers and foreigners, but **fellowcitizens** with the saints, and of the household of God; (Eph. 2:12,13, 19)

### **Commonwealth - Bouvier's Law Dictionary, Revised 6th Ed (1856) :**

“COMMONWEALTH, government. A commonwealth is properly a free state, **or republic**, having a popular or representative government. The term has been, applied to the government of Great Britain. It is not applicable to absolute governments. The states composing the United States are, properly, so many commonwealths.” (added note: Rothschild banker Britain having already lost the true Commonwealth status, as well as the U.S. after 1861. But originally the entire u S of A was a Christian Commonwealth Republic –ed.)

Jesus said, “**And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.**” ( John 14:3)

“**And to the woman (Saxon Israel) were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.**” (Revelation 12:14 -- Saxon Christendom built the American eagle nation in their wilderness from sea to shining sea!)

In 1782 Congress Assembled chose the Bald Eagle as our national symbol.

The below proclamation was made by The United States in CONGRESS ASSEMBLED, (Congregation assembly) professing the religion of our Divine Redeemer. This was during the Congressional compact years of the Articles of Confederation and Perpetual Union of 1777 - 87.

Journals of the Continental Congress,

TUESDAY, MARCH 19, 1782

“ **Proclamation: The goodness of the Supreme Being** to all his rational creatures\*, demands their acknowledgments of gratitude and love; his absolute government of this world dictates, that it is the interest of every nation and people ardently to supplicate his mercy favor and implore his protection. (note: \* sons of men - ed)

When the lust of dominion or lawless ambition excites arbitrary power to invade the rights, or endeavor to wrench wrest from a people their sacred and unalienable invaluable privileges, and compels them, in defence of the same, to encounter all the horrors and calamities of a bloody and vindictive war; **then is that people loudly called upon to fly unto that God for protection\***, who hears the eries of the distressed, and will not turn a deaf ear to the supplication of the oppressed. (note: \* see Rev.12:14 above, pg 2 - ed)

Great Britain, hitherto left to infatuated councils, and to pursue measures repugnant to her own interest, and distressing to this country, still persists in the chimerical idea design of subjugating these United States; which will compel us into another active and perhaps bloody campaign.

The United States in Congress assembled, therefore, taking into consideration our present situation, **our multiplied transgressions of the holy laws of our God, and his past acts of kindness and goodness exercised towards us**, which we would ought to record with the liveliest gratitude, think it their indispensable duty **to call upon the different several states, to set apart the last Thursday in April next, as a day of fasting, humiliation and prayer**, that our joint supplications may then ascend to the throne of the Ruler of the Universe, beseeching Him that he would diffuse a spirit of universal reformation among all ranks and degrees of our citizens; **and make us a holy, that so we may be an happy people**; that it would please Him to impart wisdom, integrity and unanimity to our counsellors; to bless and prosper the reign of our illustrious ally, and give success to his arms employed in the defence of the rights of human nature that He would smile upon our military arrangements by land and sea; administer comfort and consolation to our prisoners in a cruel captivity; that he would protect the health and life of our Commander in Chief; give grant us victory over our enemies; establish peace in all our borders, and give happiness to all

*our inhabitants; that he would prosper the labor of the husbandman, making the earth yield its increase in abundance, and give a proper season for the in gathering of the fruits thereof; that He would grant success to all engaged in **lawful** trade and commerce, and take under his guardianship all schools and seminaries of learning, and make them nurseries of virtue and piety; that He would incline the hearts of all men to peace, and fill them with universal charity and benevolence, and **that the religion of our Divine Redeemer, with all its benign influences, may cover the earth as the waters cover the seas.** // Done by the United States in Congress assembled, &c. &c. //*”

In reading this amazing Congressional proclamation we recall the Scripture:

Isaiah 59:20 “*And the **Redeemer** shall come to Zion, and unto them that turn from transgression in Jacob, saith YHVH.*”

I Peter 1:18 “*Forasmuch as ye know that ye were not **redeemed** with corruptible things, as silver and gold, from your vain conversation received by tradition from your fathers;  
19 **But with the precious blood of Christ, as of a lamb without blemish and without spot:**”*

Let’s take note that our fundamental Saxon law defines a true Commonwealth, mentioned by Scripture in Ephesians 2:12,20, as being a true Republic.

**Commonwealth - Bouvier's Law Dictionary, Revised 6th Ed (1856) :**  
“COMMONWEALTH, government. A commonwealth is properly a free state, **or republic**, --- “

The Constitution for the United States of America DID NOT CHANGE THIS!

“The United States shall guarantee to every State in this Union a **Republican Form** of Government –“ (Art.IV, sec 4, Constitution for the uSA)

Why did not and could not our Constitution of 1787 change the fundamental law of the Christian Commonwealth Republic?

Because, contrary to misinformed Constitution bashers, the Constitution **did not** form a new or different government upon its passage. Whatever previous fundamental law intent “engaged into” that applied under the Commonwealth Colonies, the Declaration of Independence, and the under the Articles of Confederation, **still applies** as the fundamental law under the Constitution. Lawful debts made before the Constitution ratification were to be honored as well as “Engagements entered into” at law, **including** the Proclamation of The United States in Congress Assembled of March 19<sup>th</sup> 1782 (above) which professed

the religion of our “Divine Redeemer” under the Article of Confederation. These historical “engagements” also included ALL of the prior 200 years of Christian compact law “engagements” upon which the Colonies were settled.

All that formative law of the nation is still our true law. It is now Constitutional (Commonwealth) Republic Law. The prior Christian colonial law was absorbed into the Constitution as a matter of clear intention!

“All debts contracted and Engagements entered into, before the Adoption of this Constitution, shall be as valid against the United States under this Constitution, as under the Confederation.” (Art.VI, Constitution for the uSA)

It therefore is no wonder that well after the Constitution was ratified that the United States Supreme Court (February 29, 1892), in the case of Church of the Holy Trinity v. United States, 143 US 457-458, 465-471, 36 L ed 226, declared the following, as Justice Josiah Brewer rendered the Supreme Court’s decision:

*“Our laws and our institutions must necessarily be based upon and embody the teachings of the Redeemer of mankind. It is impossible that it should be otherwise; and in this sense and to this extent our civilization and our institutions are emphatically Christian.”*

Detractors of the Constitution have tried to spin this negatively saying that this Supreme Court statement only meant that the people were Christian but that our United States government was never Christian. In this faulty reasoning they are forgetting the most important aspect of our institution of our government, that being – **the people ARE the government!** Christian people, as then, make a Christian government. And non Christian people, as many flood the land today, make a non Christian government.

There are a few disgruntled folks today who view the Constitution as a document that replaced God’s laws with man’s laws. Is this a fair and accurate assessment? Surely the very drafters of the Constitution did not feel this way. It might be prudent to mention here that “God’s”/Yahweh’s laws for His Kingdom are now inside the true Commonwealth which the apostle Paul brings to light. The Scriptures teach that the application of God’s Kingdom laws has historically by God’s direction, moved from Adam in Eden, then to the patriarchs, next to the judges, and then to the kings, and on into the New Testament Commonwealth. God’s fundamental laws for the nation does not change, but the administration whereby a developing people mature definitely are adapted by God’s will.

In His wisdom The Almighty has provided for this sensible adaptation of administration of His unchanging laws, because both He and we realize that we are no longer preoccupied in tending donkey stalls as in ancient days. Rather our society has learned many skills of a “high tech” nature to ease the burden of our

backs. Our society is complex compared to that of 2 -3 thousand years ago. There is nothing wrong with technical advancements if used for good (although we know it has not always been the case). This is where true latter day administration Constitutional government enters – as a Christian Commonwealth Republic Federation for the purpose of administration of the Divine Law in the nation, where the people band together for protection and to be guardians over the land.

In a commonwealth, all property or land that is not privately owned is owned by the people in common, and thus diligently cared for and guarded until it may be given to a private individual or family. God’s laws for the family and nation still apply, but Commonwealth Administration now surpasses that of the single man King as in David’s or Hezekiah’s time. The Scriptures teach that the Kingdom has now moved into the Commonwealth, which much more efficiently serves an advancing society unlocking many secrets of nature as a productive race.

*“And all that believed were together, and had all things common;”* (Acts 2:44) [ Sharing in Christian love is not forced redistribution of wealth by a Marxist State police force]

*“And the multitude of them that believed were of one heart and of one soul: neither said any of them that ought of the things which he possessed was his own; but they had all things common.”* (Acts 4:32)

This is not state run communism, as we see that “things” are still possessed in private ownership by the believers. But there was no covetousness at heart in that they agreed in thought and in principle, as a Commonwealth, to the end that anything they owned individually, if needed by a neighbor, it was gladly given for use as if for one of their own family members. In God’s government everybody has private property rights but ultimately realizes that all comes from our Father above who owns all things. This is truly the Commonwealth ideal.

*“But they shall sit every man under his vine and under his fig tree; and none shall make them afraid: for the mouth of Yahweh of hosts hath spoken it.”* (Micah 4:4 -- private ownership rules in God’s Kingdom)

YET: *“Behold, the heaven and the heaven of heavens is the Yahweh’s thy God, the earth also, with all that therein is.”* (Deuteronomy 10:14)

Under the New Testament Commonwealth government **we are commanded** to obey and submit to contracts and compacts of men which, on their face, may not be literally found in Scripture. These are compacts of righteous men in pursuance of Godly rule, but not governments of tyranny that oppose God’s laws.

**“Submit yourselves to every ordinance of man for Yahweh’s sake: whether it be to (a) king, as supreme; Or unto governors, as unto them that are sent by Him for the punishment of evildoers, and for the praise of them that do well.”** (I Peter 2:14)

This does not refer to submitting to tyrants, if at all possible, as this same apostle Peter said in Acts 5:29, *“Then Peter and the other apostles answered and said, **We ought to obey God rather than men.**”*

Nevertheless, we are to submit to Commonwealth compacts of men that agree *in principle* with God’s Laws, and we are ordered to do so. Why? To secure that the land does not fall into chaos with no government at all. In the case of America, ***enforcing the original Constitution secures the political liberty*** that makes it possible for each man and family to return to his home (his own kingdom) and obey all of Yahweh’s laws to the extent that he learns and applies them.

The people, not the Constitution, are the real government. If the land turns its back on Christ it is the fault of the people, not the fault of the Constitution which is an administration document for a true Commonwealth. Since we have failed to enforce the original Constitution, the true union of a meeting arrangement for the various State Commonwealths has been destroyed. Without a central plan to meet for the purpose of uniting together for military protection and economic stability the once free population of Christian families are being picked off one by one by the globalist enemy among us. Here is where frustrated patriots have made a grave error in hating ALL union of a federal nature. A “federal union” is not inherently evil. An “evil federal union” is inherently evil. Patriot types who feel that we should each only live on an isolated property with no government union at all are promoting anarchy. What is required of God is *righteous* government in unity, not “no government”. *“Behold, how good and how pleasant it is for brethren to dwell together in unity!”* (Psalms 133:1)

Since God’s government is now in His New Testament Commonwealth, which is western civilization true Republic Constitutionalism, what is needed to rectify our problems is that all Constitutional positions need to be filled with the heirs of liberty in America, the Saxon Christians. From this position of unity any and all regulations of a modern society must be passed only in light of God’s national laws. This is the mechanism Yahweh has given us to rule the land. We have not grasped the importance of the Commonwealth Constitution. Instead of discarding the Constitution it must be enforced in its original intent at law.

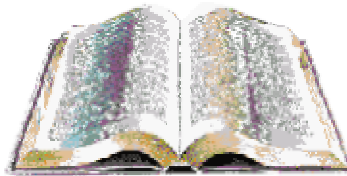

Next we’ll see how a totally wrong view of the Constitution confuses some people by causing them to perceive the Constitution as usurping God’s Laws with that of man’s laws. These well meaning folks fail to comprehend that the *original* uSA Constitution is but simply one part of Christ’s government for His nation of Christian people. The Constitution is not the totality or even the source of law upon which this nation is based. It is just one part of several parts used as a tool to administer “Godly rule” in America. (at least originally intended as such) The original Constitution is not “evil” as some outlandish claims have portrayed it. It is simply administrative, and quite in accord with God’s rules for its particular purpose. It is Commonwealth government.

## **Part 2. Constitutional viewpoints**

### **Incorrect view of the Constitution in light of God's Kingdom**

Since the words "Constitution For the United States of America" are not found in Scripture, here is how some people view this foundational document of our country. After misleading statements are made about the Constitution, a choice is then put before the unsuspecting truth seeker, which is as follows:

**You may pick one of these to govern God's Kingdom on Earth, but not both. The choice is presented as:**

**A. (above) God's Old Testament Laws as written in the Scriptures by Moses and the prophets**

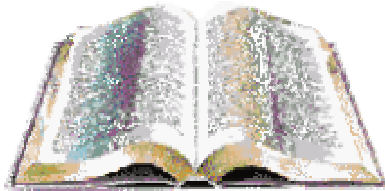

**- or -**

**B.(below) The Constitution, but with no connection to God's Laws allowed and defined as secular**

**Given this choice of definitions nearly all concerned Christians would pick only "A", but this is a loaded unfair choice since the Constitution is not secular to begin with.**

## The correct view of the Constitution in light of God’s Kingdom

God’s Laws (plus) + (We the people) (plus) + The 1776 Land  
= **God’s Kingdom Foundation**

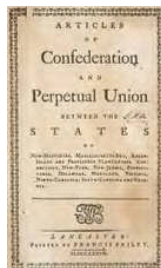

To make the Kingdom Foundation “active” in real time, we need the political latter day *liberty* to enforce it. God’s Word has firmly planted the Kingdom inside the New Testament *Commonwealth* of Saxon Israel (Ephesians 2:12, 19) ordained in the “set time” of 1787 (Psalm 102:14 see link, click, scroll at its pg. 14) in the signing of the *original* Constitution For The United States of America by the Christian Founding Fathers. The latter day NT *Commonwealth* administration holds the Kingdom inside its true and only lawful gears of government. The Commonwealth is activated by the Scriptural “decrees and ordinances of men” which we are *commanded* to obey in order to enforce the Kingdom ( Job 22:28;II Peter 2:13,14; Mat.21:43). The PRESENT ACTIVE COMMONWEALTH of the Kingdom is made up of these documents below written by Bible believing Saxon Christians for only Bible believing Saxon Christians:

### The Christian Commonwealth Ephesians 2:12,19

The Declaration  
Of Independence

The Articles  
of Confederation

The Constitution For  
the United States of America

**ALL THREE** of these *together* make up the *Commonwealth*. *When* God’s plan for the Commonwealth *is enforced*, all the Saxon Christian Israelites of the land have the *secure liberty* to live by God’s laws in their homes all across America. This liberty can only take place when the people repent in their hearts to follow God’s laws *and* enforce the true Commonwealth as the militant administration. The other Christian Saxon people of the world are to see and follow this example too for their nations in that they are the Household of God.
